

Student Directions for Enrolling into a Math Moodle Course

1. Open Internet Explorer and type in <http://tinyurl.com/cyfairmoodle>
2. Login with your Novell username and password (the same way you log into the school computer).
3. Scroll to the bottom of the page to the search box and type in the name of your campus, **Campbell**.
4. Click on the course that shows your campus name and "8th Grade Math".
5. Students will enter the enrollment key "**math8**".
6. This is a one-time process. The next time you login you will just click on the course to enter.
